WORKPLACE LEARNING & PERFORMANCE

Children's Memorial Hospital
Where kids come first.
6West

Goals

- Fulfill our mission to treat the whole child in creative ways

- Pilot the process and document findings

- Present at ASTD national conference, May 2010

- Leverage the pilot and partnership to expand to other units who could use patient netbooks

- Leverage specific partnership members to get healthcare related software developed

Concerns to Discuss

- Accountabilities

- Breakage and theft

- Wireless access/internet protection
