CLO/CTO & CHRO Group

★ Invitation-only ★ Wisconsin & Northern Illinois Companies ★

The Executive Learning Exchange (ELE) is a consortium of senior Chicagoland, Wisconsin and Midwest learning/talent development leaders committed to promote next practices that improve evidenced-based business results and professional opportunities among its members.

Peer Group

The Wisconsin CLO/CTO/CHRO Group (SEWI-CCG) quarterly sessions are a year-long learning process through face-to-face collaboration and networking with other local heads of learning/talent development and CHROs.

Up to two senior leaders from member company can attend each quarterly CLO/CTO Group session and in addition, each company is provided with four tickets to the annual [SE-WI Learning & Talent Development Leaders Exchange](#).

SEWI-CCG Objectives

Quarterly CLO/CTO Group sessions consisting of 10-20 participants with lunch and formal afternoon presentations followed by informal networking between 11:30 a.m. – 6:30 p.m.

Each quarterly program hosted at a different CCG member location. Our 2017 schedule is:

- [28-FEB-2017 \[Zurn/Rexnord, Milwaukee, WI\]](#),
- [11-APR-2017 \[SC Johnson, Racine, WI\]](#),
- [24-JUL-2017 \[Experiential Learning CLO/CTO/CHRO Leadership Retreat, Madison, WI\]](#),
- [12-SEP-2017 \[AO Smith, Milwaukee, WI\]](#),
- [06-DEC-2017 \[Northwestern Mutual, Milwaukee, WI\]](#)

Benefits

- Quarterly half-day formal programs for one or two leaders with informal networking lunches hosted at local CLO/CTO Group company;
- [Annual May one-day Exchange](#) opens to your team to attend and provided FOUR conference registrations;
- 70% discount off addl. conference registrations (\$600+ savings per registration);
- Promoted as a Thought Leader on [our website](#);
- Unlimited access to online member-only resources: archived multi-media presentations and more...

Membership Fees

If your company is involved with progressive learning initiatives, supports, or seeks next practices learning solutions, we encourage you to become a member.
